Outpatient Solutions
for Your Rehabilitation Needs

Insist on the Experts at Marianjoy

Each year, thousands of patients who sustain an injury, illness, or disability depend on Marianjoy to help them return to work, play, and everyday life.

Built on our exceptional reputation for inpatient rehabilitative care, Marianjoy offers a complete range of outpatient rehabilitation programs and specialty clinics to treat a wide range of medical conditions.

A Leader in Rehabilitation

Our licensed therapists are experts in many specialty areas and can address a wide range of patient needs, from the common to complex.

- **Expert Care from Clinical Professionals:** Marianjoy’s physical, occupational, and speech therapists are committed to professional development.
- **One-on-One Therapy:** Therapy sessions are personalized to meet every patient’s goals, providing tools to continue recovery after therapy is complete.
- **On-Site Physician Leadership:** Board-certified physiatrists oversee medical and therapy programs, collaborating with our therapists to tailor the best therapy program for each patient.
- **Evening and Weekend Hours:** Convenient appointment times are available.
- **Physician Clinics:** Marianjoy Medical Group physicians are conveniently located at our Wheaton and Oakbrook Terrace facilities to provide continuing evaluations and assessments.
- **Specialty Programs & Clinics:** Marianjoy offers a variety of specialty programs and clinics such as balance and vestibular; prosthetics and orthotics; and driver rehabilitation.
- **Work-Related Injuries:** Whether back and neck pain, or other job-related injuries, Marianjoy therapists develop treatment plans to help an individual recover and return to work.

Sports injuries, which can result from an accident, overuse, poor conditioning, or improper equipment, can affect the musculoskeletal system, including muscles, tendons, bones, ligaments, and cartilage.

Marianjoy’s therapists utilize a variety of treatment options to help athletes return to their active lifestyle by restoring mobility, decreasing pain, building strength, and increasing endurance.

We can help athletes of all ages with the following:

- Tendinitis and muscle strains
- Knee and hip injuries
- IT Band Syndrome
- Back and neck injuries; herniated discs; pinched nerves
- Shoulder, elbow, and wrist injuries
- Ankle and foot injuries
- Overuse/chronic injuries
- Post-surgical issues
- Arthritis
- Chronic pain
- Plantar fasciitis
- ACL and rotator cuff tears
- Achilles tendon injuries
- Stress fractures

How to make an appointment for therapy

To schedule one-on-one therapy with a physical, occupational, or speech therapist, please call 630-909-7150 (Wheaton location) or 630-909-6500 (Oakbrook Terrace location). **A physician prescription is required.**

If you do not have a physician’s prescription, Marianjoy Medical Group doctors can perform an evaluation and determine your therapy needs. Please call 630-909-7000 (Wheaton location) or 630-909-6500 (Oakbrook Terrace location) to schedule an appointment.
