Marianjoy Rehabilitation Hospital

Marianjoy is committed to providing aquatic therapy programs through our Community Pool Programs. In order to continue the success of these programs, we would like to offer the following reminders to all participants.

Requirements for participation: Because of the unique nature of exercise in a therapeutic warm water pool, participation is limited to patients who have received aquatic therapy here at Marianjoy. This ensures participants are medically appropriate to exercise in a warm aquatic medium. Participants perform their aquatic exercise home programs independently and a therapist is available for questions, or assistance as needed. Participants must be fully continent (children should wear a swim diaper), have intact skin with no open areas or wounds, and be medically stable to perform exercise in a warm water environment.

Registration: Pool groups are scheduled for consecutive, 8-week sessions throughout the year. To ensure fairness when filling our groups, a completed registration form and payment must be received in order to be enrolled in a group. Registrations are accepted on a first-come-first-served basis. Forms are available four weeks before the start of the next session at the outpatient reception desk or from your therapist/pool group leader.

Payment: All transactions must be completed during business hours (8:00 a.m. – 4:30 p.m.) at the Outpatient Reception area on the Garden Level of the Outpatient Pavilion or by calling 630-909-7150 during these business hours. There are no make-up sessions. Refunds are only available for legitimate medical reasons.

Group Size: All groups are limited to 10 participants. In instances in which participants use a caregiver (limit of 1 caregiver per participant) to assist them in the group, the class size may be decreased in order to ensure safety for all participants. If there are less than 5 participants registered for a group 7 days prior to the start of a new session, the group may be canceled.

Pool Closure: At registration, you will be asked to update your contact information. Please ensure that we have accurate information in case of a medical emergency or to facilitate being able to reach you if our pool needs to be closed for urgent maintenance.

Thank you for your attention to these instructions and for your participation in our community program. Should you have any questions, please call 630-909-7150.
