

# MARIANJOY SAFETY INFORMATION

## EMERGENCY RESPONSE (MRH Campus only)

**Code Blue:** Medical Emergency. Begin CPR. Activate alarm or dial 200 and announce “Code Blue” with location. Code Blue Team will respond.

**Code Red:** Fire. Follow RACE – Remove from harm, Activate alarm, Contain/Confine the fire, Evacuate (past a fire door).

**Mr. Strong:** Patient engaged in disruptive behavior that creates risk of harm to oneself or others. Dial 200 and announce “Mr. Strong, Mr. Strong, please report to (location).” Patient de-escalation team will respond.

**Code Gray:** Severe weather watch. Be alert to announcements regarding weather.  
Close curtains and blinds. Move away from windows.

**Code Black:** Severe weather warning. Close curtains and blinds. Move to protected area away from windows (inner hallways).

**Code Yellow:** Bomb threat. Begin search for unusual package or suspicious object. Call operator if suspicious object is found.

**Code Purple:** Evacuation. Horizontal, Vertical, or Complete. Remove patients to designated safe area.

**Code Tan:** Emergency security assistance needed (disruptive visitor or staff). Dial 200 and announce “Code Gray, Code Gray, please report to (location).” Security will respond.

**Code Pink:** Missing or abducted infant or child. Stay alert for a child or anyone leaving the building with a child. Contact security about any suspicious situation.

**Code White:** Missing patient. Stay alert for a patient left unattended or exiting the building unescorted. Contact security about any suspicious situation.

**Code Green:** Disaster Plan in effect. Physicians and nurses report to disaster site. Emergency Response Team reports to Command Center. Listen for further instructions.

## CHEMICAL SPILLS

For information on cleaning chemical spills or treating exposure to a chemical, call the 3 E Company hotline for MSDS on demand at **1-800-451-8346** or log-on to [www.getmsds.com](http://www.getmsds.com) – user name is marianjoy and password is safety.

## IMPORTANT SAFETY INFORMATION

- Please call the Safety/Security officer in charge if you have an immediate need for a safety/security officer by dialing **7173** and placing a page to call you back at your number.
- Report any safety or security concerns to your supervisor.
- Wear your identification at all times.
- Keep personal items in a safe place.
- Do not use any equipment you have not been trained to use. Do not use any equipment that does not seem to be functioning properly.
- Do not speed on Marianjoy roadways, in parking lots or the garage. Park in designated areas. Follow traffic laws.
- Obtain information on how to clean blood, body fluids, or any chemical spills before trying to clean such a spill.
- Use personal protective equipment as needed.
