

MARIANJOY REHABILITATION HOSPITAL
FINANCIAL ASSISTANCE – PLAIN LANGUAGE SUMMARY (09/01/2016)

General Information about MRH Financial Assistance.

Marianjoy Rehabilitation Hospital (referred to as “MRH” in this Summary) is committed to meeting the health care needs of those within the MRH community without means or with limited ability to pay for medically necessary health care services, including emergency care. To manage its resources and responsibilities, and to provide Financial Assistance to as many people as possible, MRH has established guidelines for providing Financial Assistance under the MRH Community Care Program.

To be considered for MRH’s Community Care Program you must complete either a paper or electronic application process and provide supporting documentation about you and your family’s financial circumstances, such as your income and assets.

Eligibility Requirements. The MRH Community Care Program is only applied to your personal balances, after all other third party

benefits (such as insurance benefits, government programs, proceeds from legal actions, or private fundraising) have been used. In addition, MRH will screen you to see if you are eligible for other payment assistance programs such as Medicaid. You are expected to cooperate by applying for such payment assistance. To be eligible for the MRH Community Care Program, your annual household income must be less than or equal to 600% of the Federal Poverty Income Level (“FPL”) for your family size. MRH may also consider your assets in determining your eligibility and, in some situations, apply additional screening requirements.

To be fair to other patients, if you intentionally withhold information or provide false information, you may be disqualified for Financial Assistance. If you are approved for Financial Assistance, you must notify MRH if your financial situation changes.

* Not all services are covered by Financial Assistance. In addition, your physician or non-hospital provider may not participate in MRH’s Financial Assistance program. MRH shall maintain and provide upon request a list of health care providers, delivering emergency or other medically necessary care at MRH and whether or not such health care providers are covered by this policy.

** MRH will not routinely offer, provide a discount, or waive a copayment or deductible.

If you receive Community Care and are responsible for paying a portion of your bill, MRH will not charge you more than the amount we generally bill patients who have insurance covering such care.

When to Apply for Financial Assistance. All uninsured patients should be evaluated for their ability to pay or otherwise receive reimbursement for their services during the scheduling, registration process, first point of access, or as soon as possible thereafter. MRH will then decide if you are eligible for Financial Assistance and how much you can receive. If you disagree with our determination, you can contact the Patient Financial Services Department.
