Summer Kids Therapeutic Golf Clinics

Marianjoy invites children with physical disabilities - at all levels of ability - to join our instructors to learn the fundamentals and rules of the game of golf. The clinics are specially designed to meet the needs of each participant with individual instruction on golf swing and putting. No previous golf experience is necessary. Children ages 8 to 17 can:

- Build self-confidence while learning a new skill
- Improve/maintain flexibility and range of motion
- Improve attention/concentration
- Improve balance (sitting and standing)
- Improve eye-hand coordination
- Improve upper body strength and endurance

For more information or to register, please contact Tracy Ekstrom, CTRS by phone at 630.909.6010, by fax at 630.909.8411, or by email at Tracy.Ekstrom@nm.org.
