

**FY 2014: Research Platform Presentations and Posters Presented
by Marianjoy Rehabilitation Hospital and Clinic Staff at
Professional Association Conferences**

American Medical Rehabilitation Providers Association 11th Annual Medical Rehabilitation Educational Conference

September 17-19, 2013

Amelia Island, FL

Developing an Electronic Health Record that Promotes Continuity of Care and Supports Interdisciplinary Collaboration in a Rehabilitation Setting

Kathryn Williamson-Link, RN, MSN, CRRN, CBIS; Kathleen Ruroede, PhD, MEd, RN

Presentation:

Putting the Puzzle Pieces Together for IRF-PPS Quality Reporting

Kathleen Ruroede, PhD, MEd, RN

American Academy of Physical Medicine & Rehabilitation (AAPM&R) Annual Assembly

October 3-6, 2013

National Harbor, MD

40 Years of Caring with Spirit: Physical Medicine and Rehabilitation Treatment, Research, and Education at Marianjoy Rehabilitation Hospital

Noel Rao, MD; John Brady, DHA; Kathleen Ruroede, PhD, MEd, RN

Isolated Foot Drop: The Effects of a Left Fronto-Parietal Stage II Ependymoma on the Acute Rehabilitation Process

Joshua Balch, MD and Sachin Mehta, MD

Thoracic Epidural Abscess Manifesting as Small Bowel Obstruction with Progressive Lower Extremity Weakness: A Case Report

Stephen Dugan, DO and Vasilios Stambolis, MD

Heavy Lifting Causing Hemorrhagic Syrinx with Subsequent C2 ASIA A Spinal Cord Injury: A Case Report

Brian Miller, DO and Vasilios Stambolis, MD

Acute Inpatient Rehabilitation of an Individual with Rare Intradural Cavernous Lymphangioma Causing Thoracic Myelopathy: A Case Report

Abhi Reddy, DO and Dennis Keane, MD

Evaluation of Comprehensive Pain Management Program with Utilization of a Functional Assessment Tool

Abhi Reddy DO and Jeffrey Oken, MD

Marianjoy Pain Functional Assessment Tool for Objective Analysis of Chronic Pain Patients

Abhi Reddy, DO and Jeffrey Oken, MD

Managing Chronic Pain in a Cerebral Palsy Patient: A Case Report

Melissa Xenidis, DO and Jeffrey Oken, MD

American Academy of Cerebral Palsy & Developmental Medicine (AACPD)

October 16-19, 2013 Milwaukee, WI

Swallowing Function for Pediatric Patients with a Tracheotomy Tube

Rima Birutis, MA, CCC-SLP; Mary Keen, MD; Susan Brady, MS, CCC-SLP, BRS-S;
Michele Wesling, MA, CCC-SLP

Midwest Pain Society

October 25-26, 2013 Chicago, IL

Evaluation of Comprehensive Pain Management Program with Utilization of a Functional Assessment Tool

Abhi Reddy DO and Jeffrey Oken, MD

Marianjoy Pain Functional Assessment Tool for Objective Analysis of Chronic Pain Patients

Abhi Reddy, DO and Jeffrey Oken, MD

American Speech Language Hearing Association (ASHA)

November 14-16, 2013 Chicago, IL

The Effectiveness of the "Chin Tuck" Position during the Videofluoroscopic Swallow Study

Gouri Chaudhuri, MD; Susan Brady, MS, CCC-SLP, BRS-S; Karen Ng, MS, CCC-SLP; Andrea Quill, MS, CCC-SLP; and Jordan Stewart, MS, CCC-SLP, BRS-S

Sensitivity of the Blue Dye Food Test for Rehabilitation Patients with a Tracheostomy

Susan Brady, MS, CCC-SLP, BRS-S; Richard Krieger, MD; Michele Wesling, MA, CCC-SLP; Scott Kaszuba, MD; Joseph Donzelli, MD and Michael Pietrantonio, MA, CCC-SLP

Swallowing Function for Pediatric Patients with a Tracheotomy Tube

Rima Birutis, MA, CCC-SLP; Mary Keen, MD; Susan Brady, MS, CCC-SLP, BRS-S;
Michele Wesling, MA, CCC-SLP

American Society of Health System Pharmacists Mid-year Clinical Meeting

December 8-12, 2013 Orlando, FL

Safety, Effectiveness and Cost Analysis of Rivaroxaban versus Fondaparinux for Thromboprophylaxis after Joint Replacement at an Inpatient Rehabilitation Facility

Nitika Agarwal, PharmD; Mary Mikheil, PharmD; Nadia Tancredi, RPh; Abhishek Reddy, DO; Noel Rao, MD

Financial Impact of Pharmacy and Therapeutics (P&T) Committee on an Acute Inpatient Rehabilitation Hospital Bottom-Line

Helen Afolarin, PharmD, MBA; Nitika Agarwal, PharmD; Richard Krieger, MD; Steven Lewis, MD

Rivaroxaban as a Bridge to Warfarin in a Patient on Chronic Warfarin for Venous Thromboembolic Disease

Nadia Tancredi, RPh; Joshua Balch, MD; Helen Afolarin, PharmD, MBA

Combined Sections Meeting (CSM) of APTA
February 3 – 6, 2014 Las Vegas, NV

[Improvement to Physical Therapy Student Clinical Education Program](#)

Emily Becker, MPT; Paula Eppenstein, PT, MS; Laura King, MPT; Susan Brady, MS, CCC-SLP, BRS-S

Association of Academic Physiatrists (AAP)

February 25 – March 1, 2014 Nashville, TN

[Radiation Exposure Time & Dosage during the Swallowing Exams for Rehabilitation Patients](#)

Noel Rao, MD; Gouri Chaudhuri, MD; Susan Brady, MS, CCC-SLP, BRS-S; Sachin Mehta, MD; Norman Aliga, MD; Mary Keen, MD; Carl Dean, BSRT(R)

[Does Anterior Total Hip Arthroplasty Result in Superior Rehabilitation Outcome?](#)

Pradeep Gnanapragasam, MD; Noel Rao, MD; Dolly Devara, MD; Norman Aliga, MD; Kathleen Ruroede, PhD, MEd, RN

[Right Medial Scapular Winging Due to Idiopathic Long Thoracic Nerve Palsy](#)

Pradeep Gnanapragasam, MD; Monica Steiner, PhD (VA)

[A Rare Case of Multiple Cervical & Thoracic Tarlov Cysts Presenting as Thoracic Outlet Syndrome](#)

Steven Dugan, DO; Jeffrey Oken, MD

[Gluteal Compartment Syndrome, an Uncommon but High Morbidity Cause of Lower Extremity Weakness and Pain: A Case Report](#)

Priyan Perera, MD; Dennis Keane, MD

[Residual Lower Extremity Pain and Sensory Deficits in a Patient with a Thoracic Cavernoma Status Post Hemorrhage, Approach to Pain Management and Rehabilitation: Case Report](#)

Priyan Perera, MD; Jeffrey Oken, MD

[Cerebral Venous Sinus Thrombosis \(CVST\) in a Forty-Nine Year Old Female on Oral Contraceptives](#)

Brendan Polun, DO; Noel Rao, MD

[Retrospective Analysis of Rivaroxaban versus Fondaparinux for Thromboprophylaxis after Joint Replacement at an Inpatient Rehabilitation Facility](#)

Abhishek Reddy, DO; Noel Rao, MD

[The Use of Customized Abdominal Brace to Improve Functional Limitations after Removal of Abdominal Tissue after Necrotizing Fasciitis Infection: A Case Report](#)

Dennis Suzara, DO; Jeffrey Oken, MD

[C5 Palsy after Cervical Laminectomy: A Case Report](#)

Melissa Xenidis, DO; Dennis Keane, MD

[Successful Treatment of Flagyl Induced Peripheral Neuropathy with an Interdisciplinary Pain Management Program](#)

Rachana Shah, MD; Jeffrey Oken, MD
