Marianjoy Rehabilitation Hospital, part of Northwestern Medicine, is committed to providing aquatic therapy through our Community Pool programs. For the continued success of these programs, we offer the following reminders to all participants.

Requirements for participation

Because of the unique nature of exercise in a therapeutic warm water pool, participation is limited to patients who have previously received aquatic therapy at Marianjoy. This ensures participants are medically able to exercise in a warm, aquatic medium. Participants perform their aquatic exercise home programs independently, and a therapist is available for questions or assistance as needed. Participants must be fully continent (children should wear a swim diaper), have intact skin with no open areas or wounds, and be medically stable to perform exercise in a warm-water environment.

Registration

Pool groups are scheduled for consecutive, eight-week sessions throughout the year. To ensure fairness when filling our groups, a completed registration form and payment must be received in order to be enrolled. Registrations are accepted on a first-come, first-served basis. Forms are available four weeks before the start of the next session at the outpatient reception desk, from your therapist, from the pool group leader or at marianjoy.org.

Payment

All transactions must be completed during business hours (8:00 am - 4:30 pm) at the outpatient reception area on the Garden Level of the Outpatient Pavilion or by calling 630.909.7150 during business hours. There are no make-up sessions. There are no refunds, except for a legitimate medical reason.

Group size

All groups are limited to 10 participants. In instances in which participants use a caregiver (limit one caregiver per participant) to assist them in the group, the class size may be decreased in order to ensure safety for all participants. If there are fewer than five participants registered for a group seven days prior to the start of a new session, the group may be canceled.

Contact information

At registration, you will be asked to update your contact information. Please ensure that we have accurate information in case of a medical emergency or if we need to reach you in the event our pool is closed.

Thank you for your attention to these instructions and for your participation in our Community Pool program. Should you have any questions, please call 630.909.7150. TTY for the hearing impaired 630.909.8015.
